Commanders Comments

Commander's Message 2004 – 03 – 01

Fellow Fraser Squadron Members:

Thank-you for your continued support and confidence in my role as commander of this great Squadron over the past two years.

It has been a privilege to lead and work with my fellow Bridge members to ensure we continue to sustain the level of competency our members expect. As I sit and reflect on my tenure as Commander, I know I did

the best I could and I feel strongly that I'm leaving the Squadron in more than capable stead with Lt/C Executive Officer Ross M^cCutcheon moving into the Commanders position.

Over the next three months as we prepare for the boating season the Squadron has three major events scheduled, these being:

- Fraser Squadron's AGM/COW Thursday April 20th Airport Yacht Club
- Fraser Squadron

- Spring Grad Thursday May 20th Airport Yacht Club
- PMD AGM/COW (Fraser Squadron is host) Friday May 28 & Saturday May 29 Richmond Inn

The success of these events is contingent on the participation of our membership.

Thank you again for the privilege, I look forward to seeing you in the classroom or a future Squadron social event.

Sincerely, *Fred*

A GREAT Fall Grad Ceremony

Close to fifty guests attended the Fall 2003 Graduating Class Ceremony. Fifteen avid boaters agreed to become members and we wish to extend hearty congratulations to all of our Grads!

Thanks to Dave Peebles from PMD for his help. A very special **Thanks** to guest Speaker/Author **Pat Norris** for sharing her literary & life experiences with us. If you didn't have a chance to attend, pick-up one of Pat's books. You will find them an excellent read. It was nice of

Pat to give freely of her time so that we could all enjoy her stories.

Remember grads CPS & Fraser Squadron exist through the countless hours of volunteer time. Please consider your opportunities to Proctor or

serve on the bridge with whatever special talents you have to offer. We know your time is valuable, we welcome & encourage your participation!

The PMD's AGM is being hosted on May 28 & 29th, 2004 by Fraser Squadron. We need your help now. Please contact: Fred DesRochers 604-541-2383 Bryce Gibney 604-275-7512 Peter Lefroy 604-271-5240 or Ross McCutcheon 270-3844 To find out how you can help!

QMII Steers New Luxury Course

For anyone interested in the new liner Queen Mary II's web page is most intriguing. For the propulsion system, they're using four "pods", which rotate in order to provide steering, so there are no rudders. It appears the propellers pull the ship through the water rather than push it. The third web page includes a photo of the four propulsion pods. The two aft pods can rotate a full 360 degrees!

Not only is this the A.G.M., it is the election of Officers who will be guiding our Squadron through the next year! (See page 3 for the list of nominees in the Nominating Committee's report.)

We are very pleased to announce that we will be handing out the Merit marks, to all those members who have worked for the Squadron, District or National level of CPS. This is a great opportunity to see and recognize the individuals who are doing all the work! These people are

required to do 20 hours work in order to receive 1 Merit Mark per year, we all know that much of the work takes these individuals more than 20 hours.

Fraser Squadron has trophies to present to some members for various categories of Service above and beyond the normal efforts.

Guest Speaker Margo Woods, Author & Avid Boater will entertain us with an interesting presentation.

We are looking forward to a good turnout, to support the outgoing & incoming Bridge, as well as the members of the Squadron Training Department.

Refreshments will be served, the bar will be open and there will be lots of opportunity for you to catch up on the news of the Squadron and your fellow boaters.
