Something's fishy 2004

July 1st and Maple Bay was the destination second Cruise of the summer.

Alan and June Eldred served as organizers for the event. As your on the spot reporter I can assure you that everybody in attendance had a great time.

We all gathered on **Calliope** for refreshments and appetizers. It was **Bob and Lisa's** anniversary and they were presented with a card signed by everyone.

Alan handed out sheets with the first contest. It was a word association and in order to win you had to know more than Webster's Dictionary or Roger's Thesaurus.

Ellis and Mavis showed they knew more associations than Carter has Liver Pills. Friday afternoon we gathered for a barbeque.

Entertainment was

provided by the "Bugzappers". After the eating we retired to the nearby grassy area for an intense round of Bocci ball. Winners of the Bocci tournament were: first place— **Keith and Pam**, second place— **Bill and Linda**, third place— **Bob and Lisa**.

The dish cloth prizes were crocheted by **Alberta**, and these things are great! After Bocci, the second contest began. In this game players had to decipher common phrases from symbols and strategically arranged letters. **Alan, U R GR8!**

Saturday dawned fair. . For the "Eye Que" contest , **Bob and Lisa** shaped up as the winners. After coffee it was time to say our goodbyes and let go our lines. Again, **Alan** thank you for a great time.
