## **FRASER SQUADRON**

A UNIT OF CANADIAN POWER & SAIL SQUADRONS – PACIFIC MAINLAND DISTRICT  
 LADNER POSTAL OUTLET, P.O. BOX 18528, DELTA B.C. V4K 4V7

### Commander's Message

Here we are coming to the end of our summer cruising and looking forward to the last few weekends left before we put our boat away for the year. For myself the boating season started late due to some boat repairs. Then when we did get our boat back our local weather kept us at dock. We were able to get our annual fishing trip in to Barclay Sound. Our trip around Victoria and up the Juan de Fuca strait was quite comfortable. We had a large pod of Killer Whales put on a great show for us; my son Chad took a stunning picture of one whale coming straight up out of the water. The weather on our trip was quite pleasant; fishing was good and scenery was breath taking.

Now it is time to get ready for our fall classes, our Anchors away get-together on October 2, 2010, and the CPS national convention in Nanaimo on Oct 20- 23, 2010.

**2010 Cruise Report**

**Montague Cruise**

The cruise at Montague was held in June with 4 boats in attendance, with good weather and good fun finding interesting pieces of wood for the cruise master. These pieces of flotsam are now part of R&R's garden.

**Ganges Cruise**

The August cruise was at Ganges with 5 boats attending. Despite the weather (it rained all day), we had fun. Instead of dingy golf, we had golf in the bottle at the pub, plus a few hands of poker.

### **PMD Cruise**

The integrated cruise at Port Browning was good. There were approximately 25 to 30 boats and the potluck on Saturday night was great with a movie to follow.

If anyone has something they would like to see happen on a cruise or want to go to a certain harbour, please feel free to call Rose 604-946-8389. I hope everyone had a great summer of cruising. See you next year.

### Easy Cucumber and Onion Salad

Easy to make on board a boat with few ingredients. This is a salad to put together in the morning before getting underway and allowing to chill at least four hours. The following will make 8 servings:

1/2 C of sour cream

3 tbsp white vinegar

1 tbsp sugar

1/4 tsp pepper

4 cucumbers, sliced thin

1 sweet onion, sliced thin and separated into rings

Assemble by whisking the sour cream and vinegar together in a mixing bowl.

Add sugar and pepper whisking until the sugar has dissolved.

Place cucumber and onions into a serving bowl.

Fold the sour cream mixture into the cucumbers until well blended.

Cover the bowl and place in your icebox or fridge to chill for at least 4 hours.
